AT SHIPPENSBURG UNIVERSITY

Quarterly Newsletter July -September 2017

## Center Events

### **WATER DAYS**

We like to have as many water days as possible throughout the summer but we wait to plan them closer to the time due to weather. Just keep an eye-out so you know when our next one will be!

### **JULY 27 - 9 a.m.**

Party Animalz Farm: The children at the center will get to meet all different kinds of farm animals. They will each have the opportunity to have a pony ride and will also get to pet a variety of baby farm animals!

### **AUGUST 3, 10 a.m.**

Magical Nick: A magician will be coming to put on an exciting show for all the children!

## Reminders

Please remember to not bring toys from home unless you are in Preschool B and it is your sharing day

With it getting warm earlier in the day, we will be taking the children outside early in the morning. Please be sure to apply sunscreen on your child prior to arriving at the center. We will re-apply if we are able to go out in the afternoon.

## Past Activities

**Life Cycle Theme:** The children enjoyed learning about different life cycles and even got to see the life-cycle process hands-on! Each room had caterpillars they got to watch transform into butterflies and then release.

**Community Helpers:** The two weeks the children learned about community helpers were jam-packed with visitors and small field trips on campus. Some visitors to the center included fire-fighters, police officers, and a vet technician. Small field trips included a walk to the campus farm, playing at the rec-center, and a walk to Starbuck's to learn what a barista does!

**Family Event:** The center decided to rent out the splash pad at Britton Park in Shippensburg. We enjoyed

the beautiful weather, hot-dogs on a grill, and each other's company! A big thank-you to all who attended and we hope to see everyone at our next family event!

**Water Day:** June 29th marked our first water day of the season! The children enjoyed playing in the water tables, running through the sprinklers, and cooling off with some ice-cream! Keep an eye out to see when our next water day will be!
